SUMMARY

Business and delivery operator with 3 years owning client outcomes end to end at a \$50M IT services firm backed by DST Global, Alpha Wave and Chiratae. Generated ₹10Cr+ incremental revenue across 50+ enterprise accounts in 5 countries; scaled the largest account from a ₹3L discovery to a ₹5Cr engagement; cut portfolio churn 15% with a conversation-mining early-warning system; shipped 50+ web and mobile products across SaaS, AI and e-commerce with 80%+ on-time delivery and 93%+ client NPS. Managed 30+ vendors end to end and has run storefront launches, product specs, buyer research and live ops; strongest in ambiguous, zero-playbook problems.
